

DESCRIPTION OF SERVICES

To foster the development and expansion of a diversified and healthy base of primary business and industry that will better balance the tax base, increase job opportunities, and enhance both the quality and standard of living in James City County.

OBJECTIVES

1. Pursue recruitment of new primary business/industry that would result in increased nonresidential tax base and at-place employment.
2. Provide resources and marketing tools to make James City County competitive for compatible Economic Development projects.
3. Encourage retention, expansion, and formation of primary businesses in James City County.
4. Provide staff support to expanded role of County Economic Development Authority (EDA).
5. Make, keep, and showcase James City County as a professionally competent, premiere business location at local, regional, and national levels.
