The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Suffolk, Virginia for its annual budget for the fiscal year beginning July 1, 2012. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements and we are submitting it to a GFOA to determine its eligibility for another award.
